

# Teens Raise \$3,828 To Help Stock Local Food Pantry

The third annual Empty Bowls fundraiser, organized by the Lake Oswego High School Hunger Fighter Club and ceramics classes, was held in early February in the school cafeteria. Empty Bowls is a nationally recognized charitable project that raises money for local food banks. All Mr. Steve Schiefelbein's ceramics classes created pottery bowls that were used to serve a simple meal of soup, bread and cookies prepared by volunteers.

Generous participants enjoyed the meal and kept their bowl as a reminder of the problem of domestic hunger. All funds raised at the event (\$1,914) were matched dollar-for-dollar by Teens Fighting Hunger. This event's beneficiary was the Tualatin School House

Pantry (TSHP). TSHP will use the proceeds to buy milk and other perishables that they desperately need this time of year to help more than 400 local families that depend upon their services.

Thank you to everyone who helped make this event a success.
